Webinar 1: 2026 Government Budget Explained

Treasurer Jim Chalmers will hand down the 2026 - 2027 Federal Budget on Tuesday 12 May. Join Emma Baxter for a clear, practical breakdown of the key announcements including expected discussion around broader tax reform, potential changes to the Capital Gains Tax discount on property, and tax deduction updates.

This session cuts through the political jargon and focuses on what the Budget may mean for your pay, investments, and day-to-day finances.

Date: 14 May 2026
Time: 1:00 pm - 2:00 pm AEST

Webinar 2: What you need to know for the 2026 Tax Season Part - 1

Tax time is evolving, and the ATO is increasing its focus on timely lodgements and outstanding tax debt. Part One sets the foundation: the key tax changes already in place for the 2026 financial year, the areas the ATO is paying closer attention to, and the simple steps your team can take now to be organised early.

Date: 10 June 2026
Time: 1:00 pm - 2:00 pm AEST

Webinar 3: What you need to know for the 2026 Tax Season Part - 2

Part Two builds on the first session with a practical, real-world view of how the new rules play out in a tax return — plus what to expect as we move toward the 2027 financial year. Emma will cover common pitfalls that trigger ATO audits, penalties and interest, and she will share tips to help your team feel confident, prepared, and ahead of the curve this tax season.

Date: 18 June 2026
Time: 1:00 pm - 2:00 pm AEST
